- meet the standards of competence, knowledge, and skill set out in the Code of Professional Conduct for Financial Advice Services (Code of Conduct), which form part of the wider regulatory regime for financial advice and ensure we have the expertise necessary to provide you with advice; and
- give priority to your interests by taking all reasonable steps to ensure that the advice given to you is not materially influenced by our own interests or the interests of any other person connected with the giving of advice; and
- exercise care, diligence, and skill that a prudent person engaged in the occupation of giving related financial advice would in the same circumstances; and
- meet the standards of ethical behaviour, conduct, and client care set out in the Code of Conduct, to treat you as we should and to provide you with suitable advice

This is only a summary of the duties that we have. More information is available by contacting us or by visiting the Financial Markets Authority website www.fma.govt.nz

Fees, expenses or other amounts payable

We do not charge a fee for the advice given to you but may charge a fee for implementing that advice. Any fee will be based on the amount of work and time required to provide and implement our advice to you and will be shown on our invoice to you, payable on payment of your premium. The amount of any fee will be disclosed either at the time we know the scope and nature of the advice required or when we provide our advice to you.

Conflicts of interest, brokerage or incentives

A financial adviser may have a conflict of interest in circumstances where financial advice has been provided to two clients who later have a dispute, including in respect of liability. In this instance the adviser would clearly disclose the conflict of interest to the clients and would refer one of these clients to another of our financial advisers for further advice and assistance.

We manage all conflicts of interest, ensuring our financial advisers prioritise your interests above their own, by following an advice process that ensures our recommendations are made on the basis of your needs and circumstances. All of our financial advisers complete training to understand and manage conflicts of interest. We maintain a register of conflicts of interests and any gifts and other incentives that we may receive. We review our compliance programme annually.

Kumeu Insurance Services Ltd will receive brokerage from the insurance companies on whose policies we give advice. If you decide to take out a policy the insurer will pay us brokerage at a rate which is set by them.

We are a member of Steadfast NZ Limited (Steadfast). Steadfast supplies technology platforms, management, marketing and professional services and support, technical and buying benefits to support us in providing our financial advice services. Steadfast has arrangements with insurers and premium funders, under which Steadfast receives a professional services fee for each insurance policy arranged by us with those insurers or funded through premium funders. These payments are used to operate Steadfast. We may receive a proportion of this professional services fee at the end of each financial year.

Premium funding products enable you to pay the insurance premium over the term of your policy by instalments rather than as one amount. Premium funders charge interest and have the ability to cancel your insurance policy due to non-payment. If you enter into such an arrangement the premium funder will pay us remuneration as a percentage of the amount they fund. The amount of this remuneration will be disclosed to you when we know the scope and nature of the advice required and whether you intend to utilise the services of a particular premium funder. Remuneration will be paid to us directly from the premium funder.

The premium funders who we can provide premium funding services from for consumer (individuals) and commercial (companies, organisations, trusts, partnerships, sole traders) are:

- Elantis Premium Funding
- IQumulate Premium Funding
